

Creative Partnerships in Biopharmaceutical Research

June 8th, 2009

Program

Grand Salon – Club Saint-James

Club Saint-James

1145 Union Avenue, Montreal

8:30 Registration

9:00 – 11:40 Morning Session

- 9:00 Welcome
Max Fehlmann, President and CEO, CQDM
Michelle Savoie, CEO, Montreal InVivo
- 9:15 Keynote Address
Michael Hayden, University of British Columbia
“Treasure your Exceptions: Genetics and Drug Discovery”
- 9:55 Break
- 10:05 *“Bottlenecks in Biopharmaceutical Research”*
- 10:05 Bernard Prigent - *Pfizer Canada*
10:25 Philippe Walker - *AstraZeneca Canada*
10:45 Joe Vacca - *Merck Frosst Canada*
11:05 General Discussion
11:25 Break

11:40 – 14:00 Lunch-Round Table

“Creating Value through new opportunities in Biopharmaceutical research”

- 11:40 Panel Discussion
Moderator: Max Fehlmann
Panelists:
- Yves Rosconi - *Theratechnologies*
 - Philip Barker - *McGill University*
 - Marc Leroux - *Univalor*
 - Gilles Duruflé - *Consultant*
 - Jean-François Leprince - *CTI Life Sciences*
 - Patrice Roy - *Pfizer Canada*
- 12:20 Lunch and discussion with panelists
13:20 Panel Discussion – Continuation

14:00 – 17:00 Afternoon Session

- 14:00 Break
- 14:10 Introduction – Diane Gosselin
- 14:20 Guest Speaker
John Babcook, Amgen Canada
“Enabling technologies for antibody drug discovery”
- 14:50 Awarded Projects of CQDM’s 2008-2009 Competition
- 14:50 Louis-Philippe Vézina - *Medicago Inc.*
VLP Express: a novel, high-throughput technology to accelerate the discovery and development of new vaccine antigens based on Virus-Like Particles
- 15:10 Louis Collins - *MNI, McGill University*
Development of magnetic resonance imaging tools to predict Alzheimer’s disease
- 15:30 *Break and Networking*
- 15:50 Michel Bouvier - *IRIC, University of Montreal*
Multiplexed biosensors for identifying and monitoring cellular events associated with drugs therapeutic efficacies and side effects
- 16:10 Eustache Paramithiotis - *Caprion Proteomics Inc.*
Development of biomarkers for measurement of early stage diabetes disease and for prediction of response to therapy
- 16:30 Discussion and proposals for the next competition
- 16:50 Conclusion

Midway Salon

17:00- 18:30 Networking Reception

Please note that presentations will be mainly in English. Questions may be asked in French or English.

Creative Partnerships in Biopharmaceutical Research June 8th, 2009

Registration Form

Complete the registration form and send to CQDM, attention of Carole Auger –
via email: cauger@cqdm.org or by fax at: (514) 766-4269.

Places are limited – Please register before June 3rd, 2009

<i>First Name:</i>	<i>Last Name:</i>
<i>Position:</i>	
<i>Organization:</i>	
<i>Address:</i>	
<i>City:</i>	
<i>Prov.:</i>	<i>Postal code:</i>
<i>Phone:</i>	<i>Fax:</i>
<i>Email:</i>	

- I will attend the Forum*
- Yes, I will attend the Networking Reception following the Forum*
